##### + £50 for more than 12 participating children

## Additional Information

These are our two standard party packages based on age. While the overall format and timings can be adjusted slightly, please note that certain changes may incur additional charges.

Children under the age of 10 must select the 3-hour party format, as the 90-minute tennis session is only suitable for those aged 10 and over. Age is determined based on the child whose birthday is being celebrated — for example, if they are 8, the 3-hour option must be chosen; if they are 12, either option is available.

### Food Options:

All meals must be pre-selected with the bar from our standard menu of hot and cold options, which includes:

- Selection of sandwiches
- Pizzas (usually margherita and pepperoni)
- Kids burger and fries
- Chicken nuggets and chips
- Fish fingers and chips

You may also choose one dessert option:

- A selection of cakes (e.g. brownie, rocky road, etc.)
- or
- Ice cream

Please speak to the bar about your food choices when booking. If you'd like to request something outside of the above menu, this may incur additional charges per person.

By booking a Kids' Birthday Party at The Northern, you agree to our standard hire terms, which will be shared with you at the time of booking.

**Please note: Maximum of 24 participating children per party.**
